

2.5L Dehydrating Automatic Compost Bin Machine For Kitchen Waste Garbage Disposal

Our Product Introduction

for more products please visit us on envi-tek.com

Basic Information

- Place of Origin: China
- Brand Name: Envitek
- Certification: ETL CB EMC LVD ERP
- Model Number: FW300-A1
- Packaging Details: color box+master carton
- Delivery Time: 30
- Payment Terms: L/C, T/T, Western Union, MoneyGram
- Supply Ability: 10000 PCS/MONTH

Product Specification

- Color: White Or Customize
- Application: Home
- Advantage: One Key Start
- Custom: Accept
- Net Weight: 10kg
- Material: ABS
- Highlight: 2.5L automatic compost bin,
Dehydrating automatic compost bin,
2.5L dehydrating composter

Product Description

Household Food Waste Disposer: The Efficient Processor of Kitchen Waste

Among the equipment in modern kitchens, the household food waste disposer is undoubtedly a shining star.

Its shape is simple and generous, usually with a compact structure and smooth lines, which can perfectly blend into the layout of the kitchen.

When working, it relies on advanced technology to handle kitchen waste quickly and thoroughly. Whether it is greasy food residues or hard bones, it can be easily dealt with.

The operation process is easy and simple. It is equipped with understandable operation instructions and intelligent sensing devices, allowing you to complete the food waste processing without complicated steps.

Having a household food waste disposer makes the kitchen more orderly and fresh. There are no longer troubles of garbage accumulation, and it also saves you a lot of time for cleaning garbage.

Suppose you often hold parties, a large amount of food waste is no longer a problem; if you pursue a high-quality life, it can meet your high requirements for the kitchen environment.

The household food waste disposer makes your kitchen life more relaxed and efficient.

Product Specification:

Model	FW300-A1
Sound Level	≤55 dB(A)
Power	500 W
Capacity	2.5L
Product size	L318*W255*H317.7mm
Filter	Activated Carbon

Product Features:

- * Turn your waste to fertilizer by 2-4 hours
- * Transparent Glass Cover, check the residue conversion status at any time
- * Drying-Grinding-Cooling, three steps reduce volume of your waste by up to 95%
- * Activated carbon filter remove smell
- * Fashion design makes it great to fit your countertop
- * One button start, auto adjust the working time according to the water content of your waste.
- * 2.5L capacity enough to cover your whole family food waste for one day
