

3L Mini Countertop Ro Water Purifier For Home Water Saving 36W

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Envitek
- Certification: ETL CB EMC LVD ERP ROHS
- Model Number: AR303B-75G
- Packaging Details: color box+master carton
- Delivery Time: 30
- Payment Terms: L/C, T/T, Western Union, MoneyGram
- Supply Ability: 10000 PCS/MONTH

Product Specification

- Product Material: ABS
- Product Color: White
- Dimensions: 434*177*361mm
- Filter Stages: 5 Stages
- Installation: Countertop Installation
- Feature: Easy Operation
- Highlight: **3L Countertop Ro Water Purifier,
36W Countertop Ro Water Purifier,
3L ro water purifier for home**

Product Description

3L Mini Ro Water Purifier With 5 Stages Filtration

As the name suggests, this RO system is designed to be small and space-saving, making it suitable for installation under the kitchen sink or in other tight spaces. Despite its size, it doesn't compromise on performance. A typical mini RO system includes several stages of filtration, such as a sediment filter, a carbon filter, and the RO membrane itself. Some models may also include a post-carbon filter to improve taste and odor. This multi-stage process ensures comprehensive purification. Modern mini RO systems are designed to be water-efficient, often featuring a built-in water-saving technology that minimizes water wastage during the purification process.

Product Specification

Model	AR201A-75G
Filtration Capacity	11.8L/h
Rated Power	36W
Purification Capacity	12L/h
Water Tank Capacity	3L
Product size	L434*W177*H361mm

Product Features:

- Countertop reverse osmosis water filtration system
- Mini in size
- No plumbing or installation required, easy to use
- No pure water storage, one-click access to fresh pure water
- 5-Stage filtration, removes up to 99.99% of all contaminants
- Filter change indicator
- Energy-saving & Water-saving design
- External glass carafe & Removable water tank
- Wi-Fi control for option

Water Purifier Principle:

5 - STAGE FILTRATION

Why Choose Us:

•Product development

Our Marketing Team continually evaluates Consumer needs and expectations and together with our Research Department look at ways to meet and exceed Consumer expectations in today's moving world of conveniences.

•Eye-Catching Design

Innovative Design Team, through Consultations and Customers, keeps abreast with trends in home appliances to be appealing to tomorrow's Consumers.

•Adequate verification

Reliability testing in normal use and abusive situations is exhaustively done during development and preproduction to insure the Consumer will enjoy a trouble free life for the product.

•Manufacturing capability

Longevity in a quality trained workforce assures capable processes delivers the best product to Name Brand Customers.

•Business Model

Envitek, being a world class manufacturer, thinks out of the box when it discusses and establishes OEM/OBM/ODM business relationships.
